

**Catch-A-Cab Transportation Program**

Through the generosity of the Adele Cahn Catch-a-Cab Designated Fund at the Jewish Endowment Foundation, the Catch-a-Cab program is designed to supplement the cost of transportation for members of the Jewish community who are 65 years of age or older. Participants receive discounted coupons for use with local taxi companies.

**Using Your Coupons**

To use your coupons, call one of the cab companies listed below and identify yourself as part of the Jewish Family Service Catch-A-Cab program. Be prepared to tell the dispatcher your pick-up and drop-off addresses. Advance reservations are available.

You may supplement your coupons with cash. No change can be given for coupons only.

Drivers accept tips.

There is no charge for additional passengers traveling with Catch-A-Cab subscribers.

**Future Coupon Requests**

Coupons are available for subscribers to order on a quarterly annual basis. After you register and receive your first taxi coupons, it is very simple to request more the following quarter. Each coupon bundle comes with a re-order form complete with next re-order date. Simply send this form in with your check or money order payable to Jewish Family Service, and we'll send you your coupon books.

**Contact Us**

If you have any questions about the program, or are in need of any assistance with ordering or applying, please feel free to contact JFS at (504) 831-8475.
